ECO SUSTAIN EXPO & CONFERENCE ►

The 2th edition of Eco Sustain Expo & Conference was inaugurated with great enthusiasm in the presence of eminent dignitaries and industry leaders. The ceremony commenced with lamp lighting by all the dignitaries, symbolizing knowledge, progress, and innovation in the process engineering sector. Gracing the occasion were Dr. Jatoth Ram Chander Naik, Deputy Speaker (Chief Guest); Professor K. Purushotham Reddy, Former Head of the Political Science Department at Osmania University & Eminent Environmentalist (Special Chief Guest); Dr. Addanki Dayakar, MLC Telangana (Special Chief Guest); Sri Sircilla Rajaiah, Chairman of TSFC (Guest of Honour); Dr. G Rajender Reddy, Former Chairman of the United AP Bhoodan Yagna Board (Guest of Honour); and Sri C.S.S. Rao, MSME DFO Hyderabad, Joint Director & HOO (Guest of Honour). This grand inauguration added prestige to the expo and marked the beginning of three days of innovation, networking, and industry excellence.

ABOUT THE SHOW ►

The Eco Sustain Expo & Conference 2025 established itself as a premier platform dedicated to advancing sustainable waste management and eco-friendly industrial practices. Over three impactful days, the event united industry leaders, innovators, policymakers, and researchers to exchange knowledge, showcase pioneering technologies, and explore opportunities across solid waste management, effluent treatment, bioenergy, air pollution control, recycling, cleaning, and sanitation.

By fostering collaboration between businesses, government, and academia, the expo not only spotlighted practical solutions but also reaffirmed its role as a catalyst for promoting circular economy models, waste-to-value innovations, and greener manufacturing practices. The event continues to drive environmentally responsible growth and shape a more resilient, sustainable future.

ECO SUSTAIN EXPO ►

- With **141 exhibitors** presenting cutting-edge solutions across Solid Waste Management, Industrial & Effluent Treatment, Bioenergy, Air Pollution Control, Recycling, and Cleaning & Sanitation, the expo showcased the full spectrum of sustainable waste management innovations.
- **34 Expert Speakers** shared knowledge through conferences and thematic sessions.
- **100+ Delegates** participated in strategic discussions and networking forums.
- **12,000+ Visitors** engaged with innovations and industry leaders.
- Representation from **38 Cities** and reinforcing the expo's national presence.
- **Inauguration of IGGEMA at ESE 2025:** The launch of the **Indian Green Gas Equipment's and Manufacturer's Association (IGGEMA)** at the 2nd edition of Eco Sustain Expo which marks a major step forward in promoting the growth and innovation of the Compressed Biogas (CBG) industry across India, particularly in **Telangana and Andhra Pradesh**.
- **Esteemed Presence from APPCB:** The event was graced by **Dr. P. Krishnaiah, IAS (Retd.)**, Hon'ble Chairman of the **Andhra Pradesh Pollution Control Board (APPCB)**, along with **Mohana Rajasekhar, CEE, APPCB**, highlighting strong institutional support for green energy initiatives.

CONFERENCE ►

The Eco Sustain Expo & Conference 2025 emerged as a premier platform for advancing sustainable technologies and eco-friendly industrial practices. Over three days, the event brought together industry leaders, innovators, policymakers, and researchers to exchange ideas, showcase cutting-edge solutions, and explore opportunities that support renewable energy, waste-to-value innovations, circular economy models, and greener manufacturing practices. By fostering collaboration between businesses, government, and academia, the expo reaffirmed its role as a catalyst for driving environmentally responsible growth and shaping a more resilient future.

EXHIBITOR PROFILE

VISITOR INDUSTRY OF ORIGIN

Hotels & Restaurants, Hospitals, Pollution Control Boards, Industrial users from manufacturing industries like Pharma, Chemical, Plastic, Food

Feedback from Exhibitors

Testimonials

This is our second time at Eco Sustain, and we're very happy with the response.

– **Vikah Ecotech**

It's our first time participating at the Hyderabad HITEX Exhibition Centre, and the experience has been very good with appreciable visitor turnout. We look forward to participating again next year.

– **Projexel**

The response has been very good, thank you, and we look forward to participating again next year.

– **Clarke Engineering**

We received very good inquiries and response to our products, and we thank the organizers for arranging such a valuable event.

– **Mapa Tools**

We are very happy to be part of Eco Sustain Expo 2025 and look forward to joining again next year.

– **Euroteck Environmental**
